

Captivating. Powerful.
Connected.

M440

Beautifully Verifone's newest member of multilane devices, the Verifone M440 is flexible enough to support many use cases indoor attended, integrated or semi-integrated, WiFi, Ethernet, or USB. The vibrant display is perfect for promoting your brand, showcasing seasonal promotions, encouraging loyalty, and even training team members. Expand your eCommerce capabilities by accepting Advanced Payment Methods like Affirm or Klarna, providing your customers the convenience of buy online return in store, and more.

- Stunning 8" capacitive touchscreen
- Full-motion video support with high-quality audio
- 5MP camera ideal for scanning and accepting alternative payment methods
- Leverages MX 9xx stands
- Utilizes the power of Verifone Cloud Services for further customization and to add revenue building streams like eCommerce, Pay by Link, Advanced Payment Methods, and more.
