

Verifone Victa Mobile

Personalize the in-store experience with checkout and operations – all in the palm of your hand.

Quick, efficient transactions and agile operations build satisfaction and trust, turning shoppers into lifelong customers. Verifone Victa Mobile delivers a powerful, streamlined solution to engage customers wherever they are.

Key Features

Customer experience

- Boost customer engagement on the 6.7" HD+ touchscreen
- Contactless sensors behind the display improve tap to pay ergonomics
- Send receipts instantly with NFC-enabled digital receipts.

Power and performance

- Qualcomm Snapdragon processors boost apps performance
- Process more transactions with battery life of over 12 hours of continuous use
- Scan barcodes and coupons with the dedicated barcode camera

Built for the future

- Keep transactions safe with a device engineered to support PCI 6 and PCI 7.
- Run powerful apps with Android 13 and be ready for Android 14.
- Verifone sets the standard for accessibility with the awardwinning Navigator app.
